3. Consequences for Alteration of Conformation and Structure by Prohibited Substance or Unethical Fitting. 7. Care, Fitting & Grooming of Livestock - Junior Livestock must be cared for by the Junior Exhibitors of this show. Junior exhibitors may receive assistance, providing they are in attendance and participating at all times when assistance is given. Exhibitor Statement: "The superintendents ask for your cooperation in minimizing the use of adult assistance in preparing animals for show at the fair. We understand the younger exhibitors will probably need some assistance. Helping an exhibitor in such a way that he/she is learning the techniques of properly preparing an exhibit is an important part of the total project experience. When an adult lends this assistance to the process, then it becomes a contest among adults, and we have lost the teaching and learning aspect of junior exhibits. Since this is a Junior Show, the goal of the superintendents is to direct the fair in such a way that it is a positive learning experience for our young exhibitors." Boulder County requires that only Boulder County 4-H or St. Vrain Valley FFA members enrolled in the Boulder County 4-H & FFA programs can help each other. In addition their own immediate Boulder County 4-H or St. Vrain Valley FFA leader, parents, step-parents, brothers, sisters or half-brothers or half-sisters, who are still in the Boulder County 4-H or FFA program, and who are living under the same roof may assist. In addition their own immediate 4-H or FFA advisor, parents, stepparents, brothers, sisters or half-brothers or half sisters, or legal guardian, may assist the Boulder County 4-H or FFA youth with fitting, caring for and/or handling junior livestock that is deemed necessary by the head superintendent. Also anyone who is the legal guardian of the Boulder County 4-H or St. Vrain Valley FFA member may assist youth with fitting, caring for, and/or handling junior livestock that is deemed necessary by the head superintendent. Superintendents have the responsibility to determine that said

Open Class Livestock

help and/or assistance is educational/demonstrational and youth is present if and when the adult is assisting with the livestock exhibit. The Head Superintendent has the right to disqualify a Junior exhibitor for infraction and abuse of this rule. Any exception/modification to this rule must be approved by the species superintendent ahead of time.

8. Ownership. All Junior Livestock entries must be the property of, and be shown by, the eligible exhibitor. All animals shown must have been fed and cared for by the 4-H member or FFA student exhibiting in their regularly conducted project. Crops and gardens exhibits must have been taken from a field or garden grown by and the property of the exhibitor. Ownership of animals must be in the 4-H club member or FFA exhibitor's individual name prior to May 1st of the year exhibited, except for market projects which must be owned by tag-in and weigh-in days set for each species.
9. Entry Numbers. Each Junior exhibitor will be assigned a number. Exhibitor numbers will be provided to all exhibitors. These numbers must be displayed by the Junior attendant when the animal is in the show ring. These numbers should be displayed by the junior attendant when the animal is in the show ring.
10. Animal Disqualified. Should any animal awarded a cash prize be disqualified, the animals gaining the lower prize shall graduate up into the higher positions next in order above them, if, in the opinion of the judge, these animals are worthy of such prizes. If the Grand Champion or Reserve Grand Champion animal(s) are disqualified, no further advancement or replacement of animal(s) will be made. All award(s), banner(s), premium(s), prize(s), ribbon(s), and/or trophy(s) will be forfeit and returned.
11. Warnings. Under Colorado Law, it is a crime to sabotage or tamper with, administer growth stimulation drug(s) to substitute unauthorized animal(s) for exhibition livestock, pursuant to Section 18-9-207, Colorado Revised Statutes. Under Colorado Law, a llama professional is not liable for an injury to or the death of a participant in llama activities resulting from the inherent risks of llama activities, pursuant to Section 13-21-119, Colorado Horse Statutes.
12. Grievances, Protests and Appeals.
 - a. An "appeal" may be filed by 4-H / FFA and open class exhibitors to get clarifications regarding rules, policies, and judging procedures. The Division Superintendent or the entity (example the Junior Livestock Sale Committee) would be responsible, as appropriate to handle all appeals;
 - b. If a protest is filed by 4-H / FFA members, open class exhibitor(s), or other individual(s); the following procedure will be followed. A "Protest Form" must be completed in writing and can be obtained at the Boulder County

Open Class Livestock

- Fair, Livestock Show & Rodeo (BCF) Manager's Office. A fee of \$150.00 in cash or certified check must accompany the protest form. The protest shall plainly state the cause of the protest and shall be delivered to the Fair Manager's office prior to judging or within 1 (one) hour after the conclusion of the class judging. Judging will not be interrupted by a protest and judging procedures will not be interrupted for protest investigation. Once the championship judging begins, no protest will be accepted. The protest committee made up of the division superintendent and two fair board representatives will meet and act upon the filed protest. A decision will be given to the individual filing the protest within 24 hours of receiving the filed protest unless a thorough investigation by the protest committee takes longer, in which case the individual filing the protest will be notified. The fee(s) imposed above shall be refunded if the matter is resolved in favor of the person bringing the protest;
- c. In the event an individual is not satisfied with the protest ruling by the protest committee, the exhibitor may appeal the protest resolution to the Protest Appeals Committee. This committee is made up of the Fair Board Executive Committee. A fee of \$200.00 in cash or certified check must accompany the appeal which shall be in writing, on an "Appeal Form" obtained at the Boulder County Fair, Livestock Show & Rodeo (BCF) Management Office. The appeal shall plainly state the matter being appealed and shall be delivered to the Fair Management Office not more than 8 (eight) hours after the protest resolution was announced. The decision of the Protest Appeals Committee is final. Compliance with the protest and appeal process is mandatory prior to seeking review in any other forum. The fee(s) imposed above shall be refunded if the matter is resolved in favor of the person bringing the protest appeal;
 - d. In addition to the fee(s) imposed for the process, an individual protesting that the use of illegal drugs were administered to an animal and ask for testing be administered will stand the cost of the testing if no residuals are identified. Often such tests can cost over \$1,000.00 for each substance chemical checked. If illegal substances are found the cost of the test will be charged against the exhibitor along with the other consequences under general rules number two "Alteration of Conformation and Structure, Prohibited Substances or Unethical Fitting".
13. Participant Warranties for Sale Animals. By offering animal(s) for sale participant warrants:
- a. That the carcass of animal(s) complies with the United States Department of Agriculture Wholesome Meat Act and is fit for human consumption;

Open Class Livestock

- d. That there exist no unusual circumstances or condition of the carcass of such animal(s) that would materially diminish the value of such carcass. These warranties are absolute guarantees of the quality for the sale animal's carcass without regard to the participant's actual responsibility or fault.
14. Procedure in the Event of Possible Breach of Warranty. If in the sole judgment of BCF, any participant's warranties concerning the carcass of a sale animal may be breached, BCF shall notify the participant in writing. The participant shall have ten (10) days after the date of such written notice is sent in which to respond in writing, which response shall be delivered to BCF, 9595 Nelson Road, Affolter House, Longmont, CO 80501 (FAX# 303-776-8163) by facsimile, overnight commercial courier, or hand delivery. Following receipt of any such response, or following expiration of eleven (11) days without receiving a response, BCF may determine in its sole discretion whether there was a breach of any of the participant's warranties concerning the carcass of a sale animal, and if so, what sanctions shall be imposed or other actions taken. Such sanctions or actions may include, without limitation:
- a. Disqualification;
 - b. Permanently bar such animal(s) and/or carcass from competition at the BCF;
 - c. May bar the participant from entering such animal(s) and/or, the participants family, representative or agents or any or all of them from any further participation in the BCF;
 - d. Submit name and address of participant and action taken against participant to other cooperating Livestock Exhibitions, Shows and Sales affecting eligibility;
 - e. Release to the media such actions;
 - f. In the event any award(s), banner(s), premium(s), prize(s), ribbon(s), trophy(s) and/or sale proceeds shall have been awarded (by BCF Sponsor(s) to animal(s) exhibited in violation of these rules, the participant of such animal(s) will, upon demand of BCF, immediately return to BCF all award(s), banner(s), premium(s), prize(s), ribbon(s), trophy(s) and/or sale proceeds awarded to such disqualified animal(s);

Participant will be liable to BCF and shall indemnify and hold BCF harmless from all damages, including but not limited to all expenses and costs for labor and expenses(s), consultant legal and court costs incurred as a result of violations of BCF rules and regulations. I.A.F.E.
(INTERNATIONAL ASSOCIATION OF FAIRS & EXPOSITIONS)
NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agriculture education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulation which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All Exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts resulting thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of volatile drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the

Open Class Livestock

animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animals' performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove other wise.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether

Open Class Livestock

or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code Of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

6. At check-in, Exhibitor will be assigned a number. The details on Exhibitor's fleece tag will be kept anonymous until placing is made. At selection, the judge will write a short critique on the quality and state of the fleece, and recommendations (if any) for future handling.
7. There will be no limit on the number of fleece submitted for each class for entrants under age 18. For entrants over age 18, there will be a 2 fleece limit per class.
8. No fleece will be accepted that poses a risk of contamination to other fleece or that obviously has a parasite (tick, ked, or moth) infestation.
